 **2008 Christmas Card Collection:** Did you rush to finish your Christmas Cards last year? Me, too! I'm getting a jump on them this year — you can, too! Join me each month as we create 12 Christmas Cards — 5 each of 2 designs. (Designs will vary from month to month.) In fact, I challenge you to bring address labels and a return address stamp with you to address envelopes and get a minimum of 10 Christmas cards together each month. Depending on how many cards you need for the holidays — you can decide how many months you'd like to attend.

**Option One:** Cardstock, Envelopes and Embellishments to create 10 cards. \$15.00

**Option Two:** Cardstock, Envelopes and Embellishments to create 10 cards plus the featured stamp set: Year After Year (page 60). \$45.00. **Requires 14 day advance payment to have the set at the class.**

**Option Three:** Mailbox Creations!\* Add \$5.00 to either option for the convenience of having the class shipped directly to you — regardless of where in the U.S. you live! (If you don't have the Year After Year Stamp set, you'll need to order Option #2)

 **Make A Bunch:** Create a variety of cards/projects in this class. You'll walk away with a "stash" and a sense of accomplishment!

**Option One:** April Cards will feature Mother's & Father's Day Cards. \$18.00

**Option Two:** May Cards will be "Brides & Babies" — Related. \$18.00

 **Camp Keep It All:** You have the option to "keep it all" in this class — including the Bitty Birthday stamp set featured on page 43. **This class requires a 14 day advance payment to have your personal set for use — late payments can pick up their stamp set when it arrives.**

**Option One:** Cardstock, Envelopes, Embellishments and stamp set to create 5-7 cards. \$22.00

**Option Two:** Mailbox Creations!\* Just add \$7.00 to either option above and have the convenience of the class shipped directly to you — regardless of where in the U.S. you live!
